

LIBERTY WELLS COMMUNITY COUNCIL

COMMUNITY EVENTS AND FUND-RAISING SUGGESTIONS

There are three types of expenses for which we need your suggestions as to how to best financially grow and support our council and community:

1. On-going expenses of operating the Community Council: *Mailings, flyers, postage, post office box rental, copies for meetings, posters for events...*
2. On-going annual programs or projects we choose to do: *Community garden, light-pole banners, 1st Encampment Celebration, Newsletter, streetlights, welcome packets...*
3. One-time expenses: *Create Ron Heaps Memorial, matching money for grants or CIP (Capital Improvement Projects) funds, special event or cause (neighborhood focus)...*

Just to get things started, here are a few ideas which other Community Councils have done:

Mini Farmer's Market (Sugarhouse), Plant Sale (ECCC), Special assessment: door-to-door for the trees on 7th east (ELPCO), "sell" ad space in monthly newsletter (Capitol Hill CC), charge admission fee for event with profit to council (Ballpark), Street Fair (Avenues CC)

My Ideas:
